

## Private Group Visits to the BWC

Outside our normal public opening times, we host exclusive visits for groups. You will have access to the whole Centre and your visit will include an introductory talk with complimentary tea/coffee and a personalised guided tour from our Keepers.

This is an excellent opportunity to see and learn about a wide variety of British wild animals all housed in large, natural enclosures within an attractive countryside setting. We will not be open to the public when you come, so the entire Centre will be yours for the duration of your visit. Our staff will be available to help you and answer any questions you have.

Exclusive group visits can be booked on weekday afternoons when we are closed to the public (during state school term time). A visit usually takes 2¼ hours, starting at 2.30pm. Depending on other bookings, times may be flexible, so do get in touch!

Our Gift Shop will be available if you want to take the opportunity to buy a few gifts or mementos.

Group visits are for a minimum of 15 people and costs £16 per head, including a guided tour and tea/coffee. Dates in the summer months are especially popular, so do book ahead. Most animals can, however, be seen at any time of the year, so do consider the autumn and winter months when you book.

Please contact us if you need any further information or to book a date for your group.
