

## Photography Days - Spring/Summer 2021

British Wildlife Centre (BWC) Photography Day places are limited and must be booked in advance. Dates are occasionally subject to change and are regularly updated. The Centre also hosts tutored workshops run by professional photographers. Bookings are made directly with workshop providers. Details on our website. Please note, our Photography Day gift vouchers are not redeemable against photography workshops run by third parties.

**Covid-19:** The following photo days will take place on the assumption that any Covid-19 social distancing restrictions, in place at the time, allow us to do so safely. The Centre is committed to the well-being of our visitors, staff and the animals in our care. Please do not visit if you have developed symptoms of the coronavirus, are in a high-risk category, are self-isolating or if you or anyone you have been in contact with has symptoms of coronavirus.
